## Giving Thanks to God in Communal Worship psalm 100

### worship in the psalms

We join with the community of Yahweh worshippers over the centuries this week by reading through a series of enthronement hymns that are culminated with Psalm 100.

Read each psalm as a discipline of worship at the beginning of each day. Write down a phrase from the psalm that you will hold in your heart and recall to your mind throughout the day. The hope is that you will go “further up and further in” to the kingdom of God.

**WORSHIP:** *Expressing in words, music, rituals, and silent adoration the greatness, beauty, and goodness of God, by means of which we enter the supernatural reality of the shekinah, or glory, of God.*
