

Meet our Shift Volunteers!

Hi! My name is Ely Hines and I'm a recent Whitworth grad. I grew up in Spokane and attending First Pres. Shift was an important part of my middle school experience and I'm happy to be a part of it again as a leader!

Hi! I'm Dominique but everyone calls me Dom! I spend a lot of time directing at my theatre, Bright Comet Theatre, and working the front desk at a counseling center. I am passionate about art and helping people express themselves!

Hi! I'm Ben- a recent Whitworth grad working as a software engineer. I've gone to First Pres my entire life and have participated in all the youth groups. I want to give back to the community for all the things they've done for me!
